

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF CAMPBELL COUNTY	)	
KENTUCKY WATER DISTRICT FOR RATE	)	
ADJUSTMENT FOR NON-RECURRING	)	CASE NO. 10315
CHARGES	)	

O R D E R

On July 13, 1988, Campbell County Kentucky Water District ("Campbell") filed an application proposing to increase its charge for reconnection of service. On July 22, 1988, the Commission issued a letter to Campbell advising that 807 KAR 5:011, Section 10(1)(b) requires verification that public notice has been given for 3 consecutive weeks. On August 15, 1988, Campbell filed a copy of its notice published in the Campbell County Recorder on August 3, 1988. On August 17, 1988, the Commission issued an additional letter requesting that Campbell file an affidavit of the publisher of the local newspaper stating that notice had been published. On September 8, 1988, Campbell filed affidavits for July 6, 1988 and August 3, 1988, publications. On September 19, 1988, Campbell filed an affidavit for the August 10, 1988 publication.

The 3 notices filed by Campbell, although not consecutive as required by the regulation, provide substantial compliance with the regulation and should be accepted.

Campbell filed a schedule with the Commission which itemized the expenses involved in providing reconnection of service. A

review of this schedule shows that the proposed charge is equal to the expenses of the charge and that the expenses are reasonable.

The Commission having considered the evidence and being advised, is of the opinion and finds that:

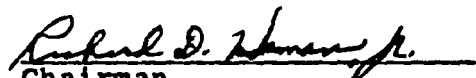

1. Campbell should be granted an increase in its reconnection fee as set out in Appendix A.

2. Campbell should file within 30 days from the date of this Order its revised tariff sheets setting out the charge approved herein.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 3rd day of October, 1988.
